Bright

What does API integration mean?

Application Programming Interface

Bright

APIs are everywhere...

Bright

API Integration & Pensions

Bright

BrightPay includes integration with...

the people's pension nest AVIVA Smart Pension

Mutual Benefits of Direct Integration 

- Time-savings
- Reduces risk of errors
- Security and GDPR
- Support
- Future-proof

Streamline Auto Enrolment Duties

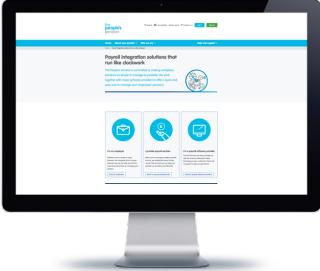

Auto Enrolment 

- Auto enrolment can be a time-consuming process
- Take advice from The Pensions Regulator
- Use a software that can help you comply with AE duties

Still access your pension portal 

- > Still access your web portal
- > View opt-outs and details
- > Won't lose access
